

Correct word endings - el, le or al

(circle the correct spelling)

TransferReady.co.uk

Helping you get ready
for the Transfer Test

Hint:

If the letter before the suffix is a tall or deep letter (bdfghjklpty) then the ending is normally -le. Watch out though, a single t often breaks this rule!

If it is a small letter (acemnorsuvwxz) then the ending is usually -el or -al

tickal	<u>tickle</u>	tickel
